Education

Shree L.R. Tiwari College of Engineering, Mira Road

Jul 2023 – May 2027

Bachelor of Technology in Computer Science

CGPA: 7.5

Patkar College, Goregaon

Jul 2021 – May 2023

Higher Secondary Education (72%)

Technical Skills

- **Languages:** JavaScript, Python, C
- **Frontend:** HTML, CSS, React, Tailwind CSS
- **Backend:** Node.js, Express.js
- **Database:** MongoDB, MySQL
- **Tools:** Git, GitHub, Postman
- **Operating Systems:** Linux

Projects

AI-Powered Health Prediction and Diet Recommendation System

React, TypeScript, Python, ML

- Built an AI-driven health prediction system to assess disease risk and generate personalized diet plans.
- Developed machine learning models in Python for health analysis and recommendation generation.
- Integrated ML predictions with a responsive React and TypeScript frontend for seamless user experience.

Disaster Management System

JavaScript, React, Tailwind CSS, MySQL

- Developed a centralized web platform to manage disaster alerts, affected areas, and relief operations.
- Built secure backend APIs and integrated MySQL for user authentication, disaster reporting, resource management, and real-time updates.
- Implemented advanced search and filtering features for quick retrieval of disaster records, relief resources, and affected population details.

Certifications

- SkillUP Full Stack Developer Certificate (2025)
